2015 School Captains

From left: Vice Captains Lauren Hyde and Micah Telford, Captains Ethan Cumming and Emmagen Litchfield, Environmental Leader Katie Crerar, Ash House Captains Luke Howard and Teyah Ernst and Maple House Captains James Stansfield and Amy Le’Gear.

---

Last week, the school captains went to a camp at TEEC (Tinaroo Environmental Education Centre) for three days and two nights to learn more about leadership skills. The captains who attended were Emmagen Litchfield, Ethan Cumming, Lauren Hyde and Micah Telford.

We did many activities to help us learn to be a leader and also to be a long term planner. At camp we enjoyed many activities such as canoeing, swimming, bush walks, games and cooking our own meals.

We also did activities to help us develop the 10 most important leadership skills. These are:

**Model Behaviours:** At camp, the teachers would model behaviours for us to follow. Back here at school, we will model behaviours and students will follow our examples.

**Communicate Clearly:** We will use this skill to speak loud and clear and have a tone that everyone can hear when speaking on parade.

**Listen:** Listening is an essential skill to use any time of the day whether inside or outside school. We learnt how to listen to each others ideas to complete the task.

**Encourage:** Encourage is a skill that all leaders and students should use. We will encourage students to have a go and keep on trying.

**Support:** Support can be physical or emotional. We will support students when they are having tough times.

**Organise:** We will organise events for the school.

**Delegate:** Delegate means to give the right job to the right person at the right time. We will delegate jobs to our fellow peers.

**Make decisions:** We need to make decisions so our organisation will run smoothly.

Some of you have already gotten off to a great start with your savings this year…well done!

Remember that banking day is every Wednesday.

Some exciting news in…tokens from last year have rolled over so some of you are able to order a reward item already!

All student bankers will receive a rewards card and savings tracker this week. There will be a note attached to this if you have enough tokens already saved up. If you don’t, not to worry, just keep up the savings and before you know it you will!

Many Thanks,
Rita (YSS Student Banking Coordinator)

Tableland Youth Theatre

Tableland Youth Theatre (juniors) happens on Thursdays 3.30—5pm at the APA’s Silo Road Theatre opposite Silo Shopping Centre in Atherton.

This theatre experience for 7 to 12 year olds includes circus, balance and mime activities, theatre games, improvisation and performance.

The central aims are confidence building and theatre for fun. There is a small fee. All children are welcome.

For further information phone Jacqui on 4091 2542.

Book Club 2015

Welcome back to Book Club and welcome to the new parents and kids.

The Scholastic Book Club is run once a term to raise money for the school library. Every book you purchase through this program contributes points that are collated and used to purchase books and other resources. There is a great range of books of all genres and they are very reasonably priced. Books make great birthday gifts and I keep a few in my cupboard for those last minute birthday party presents.

Catalogues are graded into age groups and will be sent home with your kids soon. If you would like catalogues for different age groups, please see the ladies in the office. Books will be delivered to the classroom before the end of term. If you are purchasing books for your child as a surprise eg. birthday, Easter etc, please text or phone me, or put a note in with your order, and I will contact you to arrange a direct drop off.

There are 3 payment options — cash, cheque or credit card. Cash and cheque are via the school office. Credit card orders are via the Scholastic website and there is a new process this year. If you are going to pay by credit card, you place your order online at the same time. You no longer need to return the order form to the school.

I look forward to receiving your orders in support of the school library. Please drop me a line if you have any questions.

Show Initiative: Showing initiative means if you see a job that needs to be done you do it without being asked.

Evaluate: Evaluate means to look for ways to improve. Leaders continually evaluate themselves and a team.

After camp, we, the school captains, now have a list of ideas planned to keep our school growing stronger every day.

The four leaders have come up with these projects:

• Making a school motto
• Putting a logo of the school up on the back of the hall
• Getting a school billboard
• A school newspaper
• A friend buddy system

We have also made a list of ideas that will help the community and the world:

• No power day
• Daffodil Day
• Buying more recycling bins
• Buying a compost bin

We look forward to getting started!

Ethan, Emmagen, Micah and Lauren

Upper school students had the pleasure of meeting Alby Anderson (NRL development officer), Jenni-Sue Hoepper (Jillaroos player) and Gavin Lloyd (Cowboys Development Officer) who visited our school last week to talk about healthy eating and how to be a good sports person.

We appreciate them taking the time to visit us at our school.

Nut Free School

As you are aware, our school is a NUT FREE school.

In order to protect students with allergies to peanuts and similar nut products, Yungaburra State School has a NUT FREE policy.

Products that contain nuts include Peanut Butter, Nutella, fruit and nuts bars, chocolate and any other product that has nuts listed as an ingredient. This however, does not include products that contain the warning “may contain traces of nuts”.

If you are not sure of an item or have any questions, please check with the school or access the following websites:

The well established Yungaburra Markets are the main Fundraiser for our School P&C and we need your help, for only a short time, at either one or both tasks over market weekends.

- Friday Set Up assistance required at 3.15pm (approx half hour)
- Money Collecting: Start time between 7.30 am to 9.00 am Saturday (30 to 45 minutes)
- Free coffee/tea provided by Caffe Crema, (excellent coffee!!)

Pull Down: 3.30pm Saturday afternoon (approx half hour).

We encourage our Grade 6’s and student leaders to become involved with the Markets, as it will provide you with confidence in dealing with the community and, in particular, we like to have kids, with our adult money collectors, as a mentoring exercise.

From 7.30 am to 9am, on Saturday we require 6 (or more) helpers (Dad’s welcome) to collect money from our stall holders, an easy task that takes around 30 minutes.

Lastly, 3.30pm Saturday pull down requires 3 or 4 helpers, for about 30 minutes.

The more helpers available, the shorter the time we require from you. Children are also welcome to come along and help.

We understand families have various engagements and commitments, so if you miss your class month, you are very welcome to come and assist at any other month that suits you.

For more information, contact the Committee or Dianne (Market Coordinator) on 0419 652 663 or info@yungaburramarkets.com

We look forward to seeing you at the Markets.

The 2015 Market Committee:
Kearin Corcoran, Megan Stansfield, Nicole Johns, and Dianne Gates.
