Student Leaders
Congratulations to all our Year 6 students who presented speeches today as part of the Student Leadership 2015 process. They were outstanding with their confidence, range of topics, sense of humour and school pride. All worthy of the positions applied for and will be a credit to the Yungaburra School Community.
The names will be announced at Assembly next Tuesday morning with a special presentation planned for Monday, 16th at 9am.

Class Changes
Day 8 has now passed and our staffing allocations have been finalised. For us there has been very little change, however across our district there have been a few changes with staffing as a consequence of this. For us this means that as of Week 4 we will have another teacher transferred in and will be forming 2 year 4 classes.
Sadly though we say good-bye to Karen Finey and Teneale Cockrem who will be working at Atherton State School with their own class. We wish them well.

Administration of Medication at School
Just a reminder that wherever possible it’s best that medication is not administered at school. When this is unavoidable our education policy requires that:

- The parent notifies the school in writing to administer medication. This may include written guidelines from the prescribing health practitioner, including potential side affects or adverse reactions.
- Provide medication in original pharmacy labelled container to the school.
- Ensure medication is not out of date and has an original pharmacy label with the student’s name, dosage and time/s to be taken.
- Notify the school in writing when a change of dosage is required. This instruction is to be accompanied by a letter from a prescribing health practitioner or change of label from a pharmacist.
- The student has received a dose at home without ill effect.
- Advise the school in writing and collect the medication when it is no longer required at school.
- Where parents are working with a prescribing health practitioner to determine a dose for that day (e.g. insulin, Rivotril) parents will provide a letter from the prescribing health practitioner instructing that parents will be responsible for notifying the school of the adjusted dose.

The following points are for security and safety purposes, and are requirements of the Health (Drug and Poisons) Regulation 1996 (Qld).
Tuckshop News

Hi everyone,

A big thank you to all the new parents who came in this week to offer their help. Our school community relies on parent helpers and volunteers so your enthusiasm is always welcomed and appreciated.

If you haven’t already picked up your term 1 tuckshop menu, they are available at Tuckaburra.

Thanks,
Benita

Interschool Sports

If you have not returned your permission slips for interschool sports, could you please do so as soon as possible as Round 1 begins next Friday 13 February in Atherton.

The bus fee will be $5, which can be paid at the office prior to Friday.

Student Banking News

Welcome back to another year of savings!

Just a reminder that student banking day is on Wednesdays and deposit books are returned via your class teacher on Fridays.

Don’t forget that if you make ten deposits or more, you are able to order any of the great reward items on our school banking board, situated up at the school office.

Keep up the savings!

Mystery Payments

There have been several payments made to the office with no name attached.

If you know you have made a payment in the past fortnight for school fees, cars and stars, religion or swimming and not received a receipt yet, please ring or come into the office so we can clear it up.

Thanks very much for your help in this.
