School Overview

Yungaburra State School, on the Atherton Tablelands, opened June 7th 1909. It continues to grow as this area develops. Yungaburra State School has a committed and motivated community of staff, students and parents whose aim is to work as a team to guide students through a quality educational process in all learning areas. This school strives to provide a supportive learning environment that forms productive partnerships and gives equal opportunities for all to succeed. Our Prep to Year 6 curriculum has been established using the Australian Curriculum, with a strong focus on literacy and numeracy. Our school provides specialist Science classes, the study of Japanese, Instrumental Music classes and a has a strong focus on technologies. We provide early intervention strategies and learning and special needs support. Our school is constantly involved in community activities as well as cultural and sporting events. Parents are encouraged to be actively involved in school activities and we recognise the value of the parental role in education. The enthusiastic P and C foster cohesion within the school and wider community. It is very much a community school in the sense that we have deliberately promoted the notion that 'it takes a village to raise a child'. Yungaburra values tradition whilst creating inspiring futures for our students.

Principal's Foreword

Introduction

The Yungaburra State School Annual Report outlines the progress of the school in 2017 in the key areas of student, curriculum and school community outcomes.

Yungaburra State School staff and community are committed to student success: academic, sporting and cultural. We set high expectations for student attendance, behaviour and achievement. We work closely with our families and community to achieve the best possible outcomes for all students.

Our core school improvement priorities in 2017 were aligned to our department's strategic plan and centred on:

- STEM Education - Mathematics
- Spelling
- Collaborative Curriculum Planning
- STEM Education – Science and Technologies

School Progress towards its goals in 2017:

Focus Areas	Key Actions
STEM Education: Mathematics Matters Improving work – to be completed in 2018	<ul style="list-style-type: none">• Initiated cycle of inquiry – Reviewed school and student data; investigated teacher beliefs and unpacked current teaching practices.• Developed a Whole School Mathematics Plan with support from the State Schooling Team.• Investigated best practice in the teaching of mathematics.• Built teaching capability through engagement with the Australian Curriculum (Mathematics).
Collaborative Curriculum Planning Sustaining and Ongoing	<ul style="list-style-type: none">• Continued development of Yungaburra specific units of work based on the Australian Curriculum and differentiated for student needs.• Moderation of English Units with other primary schools.
Strategic Spelling Improving work – to be completed in 2018	<ul style="list-style-type: none">• Implementation of Words Their Way Yungaburra Program across the school.

<p>STEM – Stepping into the Future</p> <p>Sustaining and Ongoing</p>	<ul style="list-style-type: none"> Continued provision of Year 3 to 6 specialist science lessons. Makerspace open to all – continue to run lunch time activities/clubs. BYOX Trial in Year 5 and 6 completed – program will continue Capability Development of staff in Digital Pedagogies.
---	---

Future Outlook

In 2018; Yungaburra State School will continue “Valuing Traditions and Inspiring Futures” through strong collaboration at all levels of our school community, the elevation of student success and a future that is focused on innovation and social connectivity.

Focus Areas	Key Actions
<p>STEM Education: Mathematics Matters</p> <p>Improving work – to be completed in 2018</p>	<ul style="list-style-type: none"> Continue to develop a Whole School Mathematics Plan. Use of a blended and balanced approach to the teaching of mathematics across year levels. Continue building teaching capability through engagement with the Australian Curriculum (Mathematics) subject area. Moderate units of mathematics with our cluster schools.
<p>Talk to Text: Daily Focused Writing</p> <p>Improving work – new priority in 2018</p>	<ul style="list-style-type: none"> Implement a formal daily writing program based on research and current best practice. Undertake regular school reviews focused on sharing best practices, problems of practice and evidence of student learning. Forefront and include a focus on quality book work, spelling in context, punctuation and grammar and provision of explicit feedback.
<p>A Culture that Promotes Learning</p> <p>Improving work – new priority in 2018</p>	<ul style="list-style-type: none"> Implementation of a Positive Education Framework

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2017:	Prep Year - Year 6
Student enrolments for this school:	

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	188	89	99	7	94%
2016	215	96	119	19	96%
2017	213	101	112	20	95%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

Characteristics of the Student Body

Overview

2015 Early Childhood Data Profile indicated that our school has approximately 50% of students entering in PREP that come from 8 tableland suburbs other than Yungaburra.

The majority of students who come to the school continue their education here through the primary year levels.

Indigenous students represent approximately 10% of the student body.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3	25	24	22
Year 4 – Year 6	22	23	24
Year 7 – Year 10			
Year 11 – Year 12			

Curriculum Delivery

Our Approach to Curriculum Delivery

- Whole School Curriculum, Assessment and Reporting for all learning areas based on the Australian Curriculum.
- Reporting against the achievement standards of the P-12 Australian Curriculum.
- Collaborative Planning based on the Australian Curriculum and the needs of learners.
- Principal as the leader of learning within the school; supported by a part time Head of Curriculum and STEM Lead Teacher.

- A learning culture with a pedagogical framework that focuses on LEARNING. Teaching approaches are chosen to impact LEARNING.

Co-curricular Activities

- Student Leadership Opportunities: The school has an active Student Council that develops leadership skills through environmental, school and community projects.
- Student Leaders attend a 3 day leadership camp along with other district schools at the beginning of each year.
- The school's classroom music program is complemented by the Instrumental Music Program for students in Year 4 – 6. Music students have opportunities to perform at school and community events.
- School choir.
- Readers Cup Competition – Teams of students who share a love of reading are invited to participate in Reader's Cup.
- ICAS Testing is offered to students in Writing, Spelling, Maths, Reading, Science and Technology.
- School Camps : Year 5 and Year 6.
- Makerspace Opportunities and Activities.
- Students are supported to participate in a range of district, peninsula and state sporting teams.
- LOTE Speaking Competition – Japanese
- Enrichment opportunities for students are offered – TEEC Science and Global Tropics Future's Program.
- School community involvement is a valued tradition at Yungaburra: the school, families and students all come together to support the P&C local markets, the Annual Fancy Dress Ball, Ed Week Breakfast and ANZAC Day to name just a few.

How Information and Communication Technologies are used to Assist Learning

Yungaburra has an ICT Strategic Plan and Annual STEM School Plan. Our VISION centres around 2 key areas: Implementation of the Australian Curriculum fully; including Digital Technologies and Design Technologies and teachers using 'technologies' confidently and integrated into daily lessons in rich and meaningful ways that improve student outcomes.

Our school also offers our Year 5 and 6 students the opportunity to participate in a BYOD (Bring Your Own Device) program.

Social Climate

Overview

Our school prides itself on the standard of behavior demonstrated by our students. Our whole school approach to social and emotional student wellbeing is based around the Yungaburra Code of Behaviour: Care for your Learning; Care for Others; Care for Yourself and Care for the Environment.

Units of work have been developed to teach positive behavior and are implemented throughout the year. These help instill within students the internal qualities necessary for achievement and social-emotional development by explicitly teaching the foundations of safety, participation and hard work, respect, organization and resilience as well as conflict resolution strategies for responding to bullying and harassment.

Self regulation, Metacognition and Growth Mindsets support this work. The Social and Emotional Learning General Capability of the Australian Curriculum is also used as part of our unit planning process.

The school employs a Classroom Profiler to conduct regular teacher observations in relation to behavior management; support the "You Can Do It Program" and run parent workshops. We also have a school Chaplain who offers support services to students and families.

In 2017 our school has begun investigating a renewed Positive Education Framework.

Parent, Student and Staff Satisfaction

Parent opinion survey

Performance measure

* Nationally agreed student and parent/caregiver items

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Our school community strives to involve and engage parents with their child's education through:

- Parent and teacher partnership meetings every semester.
- Term Overviews: "Learning at Yungaburra"; outlining focus of work across subject areas, assessments and ways to support learning at home. Also included is contact information for all teachers involved with student learning.
- All new families meet with Principal prior to enrolment.
- Q Schools and Q Parents
- Consultation processes regarding the adjustments made to assist students with diverse needs to access and participate fully at school are facilitated by the SWD Teacher, the Student Support Team and Class Teachers.
- Involvement in school reading programs.
- School information sessions and workshops.
- Early Years Transition Program.
- Volunteer work including tuckshop, markets and the resource centre
- Involvement in sporting events and school camps.
- Supporting student leadership work.
- P&C and associated focus groups such as the ICT Reference Group.

In 2017 we conducted a Survey Monkey to inform us as to the needs of the community re Outside School Care Services and based on this information entered into the process for service establishment. Unfortunately the service providers did not see the Yungaburra Community numbers as a viable option.

Respectful relationships programs

The school has developed and implemented programs that focus on appropriate, respectful, equitable and healthy relationships as outlined under the Social Climate area of this report. Further to this the school is responding to changes in our community demographics and reviewing school programs in line with these changes.

Further to this we actively promote the High Five Plan for students to use when they are feeling unsafe (Signage around the school) – 1. Talk friendly, 2. Talk firmly, 3. Ignore/Walk away, 4. Warn and 5. Report.

VPG conducts a formal Respectful Relationship Program with our Year 6 students every year. We have engaged VPG to deliver other programs to support families on site in 2018.

A renewed Positive Education Framework is in progress.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	1	2	3
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

The school has a recycling program that sees waste such as paper, plastics, glass and metals removed for recycling. Food scraps are recycled via a bank of compost bins. This initiative is largely managed by the Environmental sub-committee of the student council.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	73,956	1,190
2015-2016	72,603	
2016-2017	148,066	2,776

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following '**Find a school**' text box.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 were \$25 000 and an additional \$11 500 for teacher release time for planning.

The major professional development initiatives are as follows:

- Collaborative Unit Planning for English and Mathematics – Teacher Release Time
- Inquiry Mathematics PD
- STEM related PD
- Positive Education, Essential Skills for Classroom Management, Trauma Based Practices
- Literacy and Numeracy focused professional learning

The proportion of the teaching staff involved in professional development activities during 2017 was 100%.

Staff attendance

AVERAGE STAFF ATTENDANCE (%)			
Description	2015	2016	2017
Staff attendance for permanent and temporary staff and school leaders.	95%	97%	96%

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 92% of staff was retained by the school for the entire 2017.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	93%	92%	93%
The attendance rate for Indigenous students at this school (shown as a percentage).	90%	89%	92%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Primary schools was 93%.

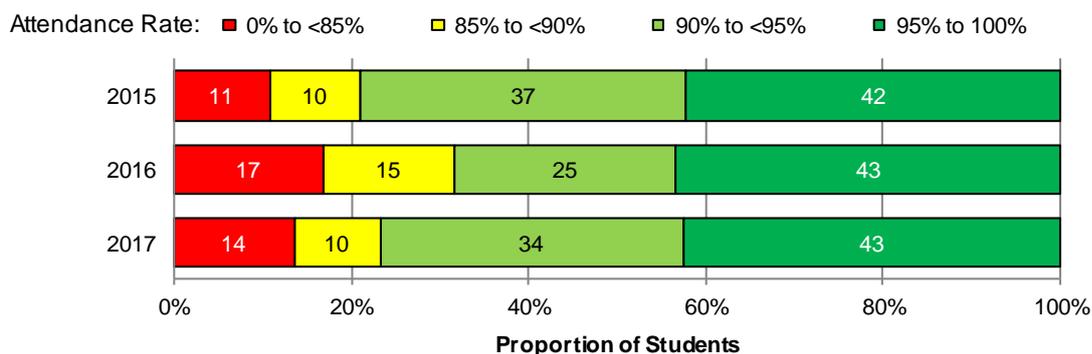

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	90%	93%	93%	95%	93%	93%	95%						
2016	93%	92%	90%	92%	96%	92%	91%						
2017	94%	91%	93%	93%	92%	93%	93%	DW					

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Yungaburra Student Absences are managed by:

- Class rolls are marked twice a day; morning and afternoon.
- Unexplained absences from school are followed up by office staff – same day notification; SMS sent.
- List maintained for follow up if no response.
- Principal alerted via One School and ADMIN Team after 3 days with no contact/response from family.
- The Administrative Team regularly monitor attendance and send standard One School letters home re unexplained absences and Enforcement of Enrolment when required.
- Principal contacts Student Engagement team for support and advice.

Attendance is encouraged by:

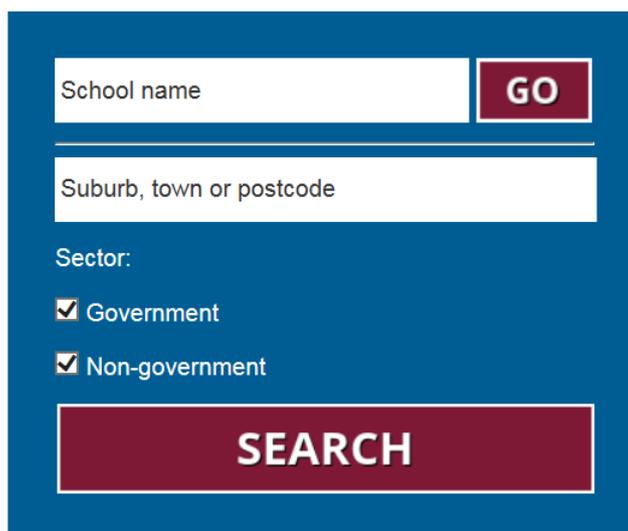

- Providing safe and supportive learning environments with strong student – teacher relationships.
- Parents are regularly reminded that “Everyday Counts” through information booklets, report cards, signage, newsletters and website.
- Fortnightly attendance statistics are published in the newsletter.
- Through parent- teacher meetings and conversations.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.

Find a school

The screenshot shows a search form with a blue background. At the top, it says "Find a school". Below this, there is a text input field labeled "School name" with a "GO" button to its right. Underneath is another text input field labeled "Suburb, town or postcode". Below that, it says "Sector:" followed by two checked checkboxes: "Government" and "Non-government". At the bottom of the form is a large red button with the word "SEARCH" in white capital letters.

Where it states '**School name**', type in the name of the school you wish to view, select the school from the drop-down list and select <GO>. Read and follow the instructions on the next screen; you will be asked to confirm that you are not a robot then by clicking continue, you acknowledge that you have read, accepted and agree to the **Terms of Use** and **Privacy Policy** before being given access to the school's *profile* webpage.

School NAPLAN information is available by selecting '**NAPLAN**' in the menu box in the top left corner of the school's profile webpage. If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

Conclusion

At Yungaburra we continue to grow and learn; students, teachers and families together. We believe that all students can succeed at learning and that all students are valued. Future proofing our students whilst holding fast to common courtesies, connection, collaboration and community
