Under the agreement for 2015
Yungaburra State School will receive

$51,020*  
*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Guarantee that every student will either:
  - achieve NMS in literacy and numeracy for their year level or
  - have an evidence based learning plan in place to address their specific learning needs
- Increase the number of Prep students reading at PM Benchmark 9 at the end of Prep to 100% in 2015
- Increase the percentage of students receiving A or B ratings in English in Years 1 and 2 to 40% and 55% respectively in 2015
- Increase the number of students in the U2B in Year 3 Numeracy to 60% in 2015

Our strategy will be to

- Conduct Early Start Assessments to obtain base-line data for all Prep students in Literacy and Numeracy and the Mt Isa SLP Assessment to inform interventions and develop individual learning plans.
- Collaborate with pre-prep service providers to develop foundational programs that promote a seamless transition to formal schooling
- Implement a READ TO ME before school reading program, targeting pre-prep to Year 2 families.
- Implement evidence based intervention plans for students at risk of not achieving literacy and numeracy NMS (NAPLAN)
- Provide extension and enrichment opportunities for students working well above grade level expectations and capable of being in the higher NAPLAN bands

Our school will improve student outcomes by
